Defendant's counsel has asked to delay the release of any documents for a period of thirty days so that CDCR may notify all the inmates named in these two documents, as required by California Civil Code § 1798.24. Counsel also has asked that the court review any

1 inmate objections to the release of their names to plaintiff's counsel. Plaintiff's counsel has not  
2 opposed this request.

5 8, 2006 are ordered filed under seal.

6 2. The court finds the unredacted memorandum dated February 5, 2003 by  
7 Richard Mandeville and the undated eight page statement handwritten by plaintiff to be relevant  
8 to the issues in this case.

9 3. Within fifteen days of the date of this order, counsel for defendant is ordered to  
10 notify the inmates named in these documents of the proposed release of their identities and to
